

Leave her Johnny

$\text{♩} = 60$

I thought I heard the skipper say,
Leave her Johnny, leave her! "To - -
mor-row you will get your pay;" It's time for us to leave her.

I thought I heard the skipper say,
(Leave her Johnny, leave her!)
"Tomorrow you will get your pay:"
(It's time for us to leave her.)

The work was hard and the passage long,
The seas were high and the gales were strong.

The food was bad and the wages low,
But now ashore again we'll go.

The sails are furled and our work is done.
But now on shore we'll have some fun.
